

We are pleased to confirm that all classes as per the schedule will be run on Sunday and find below the list of classes and approximate times.

Will you please aim to be at the show ground at least half an hour before your class in order to collect numbers and get yourself and horse/pony ready.

We will be calling for classes when the previous class is at the line up & rosette stage so please listen out for an MRC announcement.

A member of the Committee will be taking a few photographs during the show for our Newsletter. If you do not wish your photo to be used please let us know.

We will have catering on site and an ice cream van to help keep you cool and refreshed.
