

Hi All

We had a good turnout at our Winter Woollies In Hand Show on Sunday and a big thank you to everyone for coming along either as a competitor or spectator and for being patient in our car/trailer/lorry Jenga game. I got my car and trailer a little stuck in the paddock where we usually park as the ground was quite soft after all the rain so, having got both car and trailer moved to firmer ground, we decided to park everyone on the hard standing which was a little tight but Wendy Webber provided us with additional parking and everything settled down.

Despite a little light rain whilst setting up, we had dry weather for the event which was great. Everyone was very well turned out and big thanks to our judge, Kirstie Caister who did a great job and had a big smile throughout the morning. Tim and the Frying Scotsman was on hand to provide us with welcome hot drinks, burgers and chips throughout the event.
